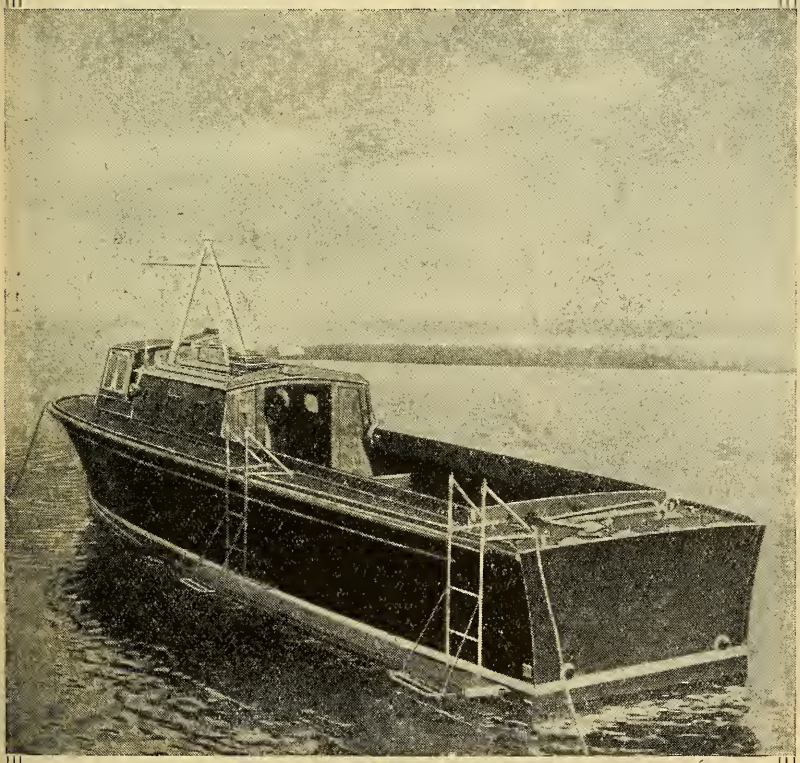
The POWER GENERAL SERVICE TENDER
Efficient, sound, robust, untiring, it is the logical selection for the many duties of contact required by the Seaplane.

It has an amazing speed: instantaneous acceleration: instant response to the requirements of the Coxswain and above all is really manœuvrable and seaworthy. There are many hundreds in service throughout the World. 37′ 6″ x 8′ 6″ x 2′ 9″ – Twin 100 h.p. Marine Engines.



POWER craft are as "mechanically" efficient as boats can be and far superior to any other form or type of Marine Transport.

Illustrated is the General Service Tender equipped for Crash Duty.

INTERPRETIVE HISTORY *of FLIGHT*

BY M. J. B. DAVY, F.R.AE.S., KEEPER OF THE AERONAUTICS COLLECTION OF THE SCIENCE MUSEUM

A SURVEY OF THE HISTORY AND DEVELOPMENT OF AERONAUTICS WITH PARTICULAR REFERENCE TO CONTEMPORARY INFLUENCES AND CONDITIONS

THE STORY OF THE DEVELOPMENT OF FLYING MACHINES has frequently been recounted, but that history of aeronautics which should include all human activities relating to flying has never yet been fully told. The period covered is so long and the subject so complex that an exhaustive survey can hardly be attempted.

In this new volume, the subject has been approached from the standpoint of contemporary human development and of the social and economic background — aspects which are of increasing importance to-day. Much more is given, therefore, than the bare facts and technical details of the subject.

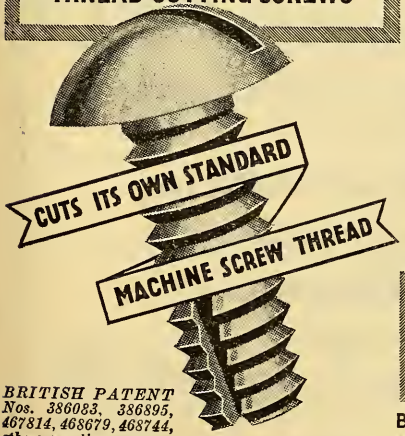
THREAD-CUTTING SCREWS



BRITISH PATENT Nos. 386083, 386895, 467814, 468679, 468744, others pending.

★The Shakeproof Threadcutting screw actually cuts its own standard machine screw thread from a drilled hole, and can be used again, or can be replaced, if necessary, by an ordinary machine screw of the same size. Assembly time is speeded up . . . and the cost of tapping eliminated. A snug tight-fitting fastening is ensured. It drives easily in almost any metal . . . steel, aluminium and alloys, iron, copper or brass. Its use is specially recommended in aircraft manufacture for securely joining together materials of any thickness, in secondary structures in particular, giving increased production and efficiency.

High Frequency Terminals

Registered Design No. 819,944.

The new G.E.C. H.F. Terminal has been introduced to meet the need for a terminal of truly scientific low loss design, and as the result of considerable research into the problem of losses and insulation resistances at radio frequencies a terminal has been produced which it is believed is without equal for its purpose at the present day.

The special ceramic insulation employed is not only of a very low loss type, but the proportion of it in the electrostatic field is small, whilst its shape with respect to the terminal stem and mounting bush is such as to provide the minimum loss conditions.

TECHNICAL DATA.

REGULATIONS UNDER WHICH OFFICERS ARE PERMITTED TO ATTEND LEVÉES.

(*Referred to in para. 377, King's Regulations and Air Council Instructions, 1928 edition.*)

1. Officers may be presented on the following occasions only :—

(*a*) On appointment.

(*b*) On attaining the rank of wing commander and subsequently on every step in rank.

(*c*) On appointment to the command of a group.

(*d*) On appointment to the command of a command, or to a principal post (not below the rank of director) at the Air Ministry.

(*e*) On appointment as principal air aide-de-camp or air aide-de-camp to His Majesty the King or to any member of the Royal Family.

(*f*) On appointment to any British order of Knighthood in a degree not below that of Knight Commander, or on appointment as Knight Bachelor, provided that they have received the accolade. (Promotion in an order from Knight Commander to Knight Grand Cross or the appointment as Knight Commander of an officer who is already a Knight is not an occasion for presentation.)

(*g*) On return from active service in the field, or from special service abroad.

2. On all the above occasions presentations will be made by the Secretary of State for Air unless otherwise desired by applicants. If the presentation is to be made by a gentleman *other than* (*a*) the Secretary of State for Air, (*b*) an officer of the Royal Air Force, (*c*) a civil official of the Air Ministry, a request for permission to make it should be addressed to the Comptroller, Lord Chamberlain's Office, St. James's Palace, S.W.1, by the presenter as being responsible for the officer he wishes to present. He must also personally attend the levée and must have been previously presented himself. In all cases, however, no matter by whom the presentation is to be made, the officer to be presented must himself make formal application on his own behalf to the Air Ministry through the usual channels as indicated in paragraph 7. In the absence of any special notification to the contrary, it will be assumed in every case that presentation by the Secretary of State for Air is desired. If the reverse is the case, a special note should be added to the application referred to in paragraph 7 giving the name of the officer or other gentleman by whom presentation is desired. Similarly, if an officer himself desires to make a presentation a statement to that effect should be added to his own application, giving particulars regarding the person he proposes to present.

3. As from 1st January, 1922, attendance at an Investiture will not count as Presentation at a Levée.

4. (i). There are two kinds of levee cards :—

(*a*) Presentation cards, and

(*b*) Attendance cards.

(ii.) The former are for the use of officers who are being presented and the latter for the use of officers who wish to attend the levée for other reasons. Save in exceptional circumstances, attendance will not be allowed unless an officer has presentations to make.

5. Arrangements for the presentation or attendance of officers at levées are made by the Air Ministry in conjunction with the Comptroller, Lord Chamberlain's Office.

6. On receipt of notification of a forthcoming levée the Air Ministry will call for the names of officers, desirous of being presented at or attending the levée, from commands and groups. Applications will be forwarded through the usual channels and will reach the Air Ministry as soon as possible, and in any case, not later than fourteen days before the date fixed for the levée.

7. Applications will contain the following information in respect of every person who wishes to be presented at or attend the levée :—

(*a*) Rank.

(*b*) Title (if any) and name, including the initials of any orders or decorations awarded.

(*Note.*—Only one Christian name, which must be clearly indicated in the application, is permitted to appear on a levée card ; the remainder of the names, not exceeding two, being represented by initials, if specially desired.)

(*c*) Whether a " Presentation card " or " Attendance card " is required. (*See* para. 4.)

(*d*) Each application for a " Presentation card " is to show the occasion (*see* para. 1) on which the applicant wishes to be presented. (*See also* para. 2.)

8. A pamphlet containing instructions for officers being presented at or attending levées is issued with each levée card.

Whereas Her late Majesty Queen Victoria by a Warrant under Her Sign Manual dated 29th January, 1856, did create a Naval and Military Decoration to be styled and designated "The Victoria Cross," and did express Her desire that this decoration should be highly prized and eagerly sought after by the Officers and Men of Her Naval and Military Services.

And whereas by divers subsequent Warrants other Officers and Men were admitted to and made eligible for the Decoration, and certain amendments were made to the rules and ordinances attaching thereto.

And whereas the said Warrant and subsequent Warrants before referred to, as also the rules and ordinances affecting the same, were consolidated, varied and extended by a Warrant under Our Sign Manual dated the 22nd day of May, 1920.

Now, therefore, We do hereby declare that the rules and ordinances contained in Our said Warrant heretofore in force for the governance of the said Decoration, shall be abrogated, cancelled and annulled; and in substitution thereof We by these Presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following rules and ordinances for the governance of the same which shall from henceforth be inviolably observed and kept:—

Firstly, it is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of bronze with our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

Secondly, it is ordained that the Cross shall be suspended from the left breast by a red riband, one inch and a half in width, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

Thirdly, it is ordained that the Cross shall only be awarded for most conspicuous bravery or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

Fourthly it is ordained that the Cross may be awarded posthumously.

Fifthly, it is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette*, and a Register thereof kept in the Office of Our Principal Secretary of State for War.

Sixthly, it is ordained that:—

(1) Officers, Warrant Officers and sub-ordinate Officers hereinafter referred to as Officers, Chief Petty Officers and Petty Officers hereinafter referred to as Petty Officers, men and boys hereinafter referred to as Seamen, serving in—(*a*) Our Navy or in ships of any description for the time being under Naval Command; (*b*) Our Indian Marine Service; (*c*) Navies or Marine Services of our Dominions, Colonies, Dependencies or Protectorates; and (*d*) Our Mercantile Marine whilst serving under Naval, Military or Air Force Authority, or who in the course of their duties may become subject to enemy action;

(4) Officers, Warrant Officers Classes I and II, Non-Commissioned Officers, and other Airmen serving in Our Air Force, Our Air Force Reserve, Our Auxiliary Air Force, or the Air Forces of Our Dominions, Colonies, Dependencies or Protectorates;

(5) (*See* Royal Warrant dated 9th May, 1938.)

(6) Matrons, Sisters, Nurses and the Staff of the Nursing Services and other Services pertaining to Hospitals and Nursing, and Civilians of either sex serving regularly or temporarily under the orders, direction or supervision of any of the above mentioned Forces

shall be eligible for the Decoration of the Cross.

Seventhly it is ordained that if any recipient of the Cross shall again perform such an act of bravery, as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

Eighthly. (*See* Royal Warrant dated 9th May, 1938.)

Ninthly, it is ordained that in the event of any unit of Our Naval, Military or Air Forces, consisting in the case of our Navy of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of our Army of a Regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of Our Air Forces of a squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Flag, General, Air or other Officer in Command of the Force to which such an unit belongs, is unable to single out any individual as specially pre-eminent in gallantry or daring, then one or more of the personnel comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(*a*) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the Decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers engaged, and one seaman, marine, private soldier, or aircraftman shall be selected by the seamen, marines, private soldiers or aircraftmen engaged.

(*b*) When the total personnel of the unit exceeds 100 but does not exceed 200, then the number of seamen, marines, private soldiers or aircraftmen to be selected in the manner described in (*a*) shall be increased to two.

(*c*) When the total personnel of the unit exceeds 200 in number, the number of Crosses to be awarded in accordance with these provisions shall be the subject of special consideration by Our Lords Commissioners of the Admiralty or by one of Our Principal Secretaries of State for submission to Us.

(*d*) The selection to be by a secret ballot in such manner as shall be determined in accordance with the foregoing provisions by the Officer directing the selection to be made.

(*e*) The death of any person engaged shall not be a bar to his selection.

(*f*) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in the Eighth Clause of this Our Warrant.

Tenthly, it is ordained that every recipient of the Cross, not being or ranking as a Commissioned Officer, and in the case of Our Navy and Our Marines, not being or ranking with a warrant officer, and not coming within the Eleventh Clause of this Our Warrant, shall from the date of the act by which the decoration has been gained, be entitled to a special pension of ten pounds a year, and each additional Bar conferred under the Seventh Clause of this Our Warrant on such recipient shall carry with it an additional pension of five pounds a year.

Eleventhly. (*See* Royal Warrant dated 9th May, 1938.)

Twelfthly, it is ordained that reproductions of the Cross known as a Miniature Cross which may be worn on certain occasions by those to whom the Decoration is awarded shall be half the size of The Victoria Cross and that a Sealed Pattern of the said Miniature Cross shall be deposited and kept in the Central Chancery of Our Orders of Knighthood.

Thirteenthly, it is ordained that it shall be competent for Us, Our Heirs and Successors, by an Order under Our Sign Manual and on the recommendation to that effect by or through Our First Lord of the Admiralty or one of Our Principal Secretaries of State to cancel and annul the award of The Victoria Cross to any person, together with any pension appertaining thereto not already paid, and that thereupon his or her name in the Register shall be erased; but that it shall be competent to Us, Our Heirs and Successors, to restore the Decoration when such recommendation has been withdrawn and with it such pension as may have been forfeited.

Fourteenthly, it is ordained that notice of cancellation or restoration in every case shall be published in the *London Gazette*.

Lastly, We reserve to Ourself, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these regulations, or any part thereof, by a notification under Our Sign Manual.

Given at Our Court at St. James's, this 5th day of February, in the 21st year of Our Reign, and in the year of Our Lord one thousand nine hundred and thirty one.

By His Majesty's Command,

T. SHAW.

Whereas Our Royal Progenitor and Predecessor King George the First by certain Letters Patent under the Great Seal of Great Britain, bearing date the Eighteenth day of May in the Eleventh year of His Reign did institute, erect and constitute a Military Order of Knighthood, to be and be called for ever thereafter by the name and title of the the Order of the Bath; and it was thereby provided that the said Order should be governed by Statutes and Ordinances to be from time to time made, ordained, altered and abrogated by His said late Majesty, His heirs and successors at His and their pleasure; and Whereas Our late dear Grandmother, Queen Victoria by Letters Patent under the Great Seal of the United Kingdom bearing date the Fourteenth day of April, One thousand eight hundred and forty-seven, did ordain, direct and appoint that the said Order should be thenceforth known and described by the style and designation of the Most Honourable Order of the Bath, and did make certain alterations in the constitution of the said Order, and whereas Statutes and Ordinances governing the said Most Honourable Order were enacted and issued on the Thirty-first day of January, One thousand eight hundred and fifty-nine, and at divers subsequent dates by Our Royal Predecessors and by Us, We deem it now expedient to assemble the said Statutes and to make such alterations as may appear to Us necessary for the better government of the said Order:

Now Know Ye that in pursuance and exercise of the power vested in Us in the said Letters Patent of Our Royal Predecessor King George the First We have abrogated and annulled and do hereby abrogate and repeal all and every the said Statutes and Ordinances so far as they are repugnant to or inconsistent with the following Statutes:

17.—It is Ordained, that although We have deemed it expedient in the foregoing Statutes to prescribe and limit the numbers which shall constitute each class and each division of this Most Honourable Order, nevertheless, inasmuch as we are pleased to regard not merely the present but the future exigencies of this Our Realm, so We have thought fit to provide for distant contingencies; therefore, in the event of any future wars or of any actions or services, civil or military, meriting peculiar honour and reward, it shall be lawful for Us, Our heirs and successors, in virtue of the powers to Us and Them reserved in and by the said recited Letters Patent of the Tenth year of the Reign of Our late dear Grandmother Queen Victoria, to increase the numbers in any of the said classes, and in any of the said divisions and to assign a place in any such divisions to any of Our Officers, Naval and Military, whose rank in Our Service would not qualify him for holding a place therein, according to the provisions hereinbefore in that behalf made.

Given under the Seal of the said Order, at Our Court at Saint James's this Eleventh day of July, 1925, in the Sixteenth year of Our Reign.

Military Operations

TOGOLAND

AND THE

CAMEROONS

By

Brig.-General F. J. MOBERLY, C.B., C.S.I., D.S.O., p.s.c.

THIS volume tells a story of warfare in swamp and forest that has few parallels in history. An interesting description of the country, amply illustrated, introduces the reader to a region little known before 1914. The mountainous part of the Cameroons possesses features of great beauty, and a moderate climate, but the coastal area is one of the most pestilential known. The clear-cut conquest of Togoland is followed by the more complicated operations in the larger colony. The narrative describes how our West African soldiers from Sierra Leone, Nigeria, the Gold Coast, and the Gambia nobly sustained the highest traditions of our armed forces. Step by step the volume traces the course of events: the German preparations at Duala and the surrender of that important place: the capture of Jabassi, Edea, Victoria, and Buea; the operations up the northern railway; the German attack upon the French at Edea; the operations in the north; the first unsuccessful advance and the final drive of converging columns upon Yaunde. With the fall of this place and the retreat of the enemy into Spanish Muni some six weeks later, the campaign came to a triumphant end.

The Royal Air Force Benevolent Fund

(For the help of all ranks in memory of those who died serving.)
Telephone :—Abbey 1659.

Chairman of Council : : The VISCOUNT WAKEFIELD OF HYTHE, G.C.V.O
Secretary : Group Captain G. I. CARMICHAEL, D.S.O., A.F.C. (R.A.F. retired).

THE ROYAL AIR FORCE BENEVOLENT FUND was established in October, 1919, to commemorate the work of the Flying Services during the War, 1914–1918.

A Memorial to the Officers and Men who fell in the War was unveiled on the Thames Embankment in 1923 ; a home and school for the sons of deceased Airmen was established at Vanbrugh Castle, Blackheath, in 1921, and accommodates 42 boys ; up to the end of 1937 a total of £224,000 has been expended in relief of distress.

The Fund exists to relieve distress among all ranks of the flying Services past and present and their dependants ; in addition assistance is now permitted to personnel of the Auxiliary Air Force and R.A.F. Reserve, where distress can be attributed to Service. It must be prepared to help :—

The disabled, and the dependants of those killed flying.
Other casualties and their dependants.
Sufferers on account of sickness and general distress.

Although there has been a diminution in the number of cases of minor distress, expenditure upon relief continues to rise ; it has been doubled in the last 10 years, and in 1937 reached £20,298.

There is no visible prospect of a reduction in expenditure on Wartime personnel, while the expansion of the Royal Air Force will probably involve a rise of at least £5,000 per annum on Post War Regular personnel and further sums on account of the Auxiliary Air Force and R.A.F. Reserve.

Combined with the prospect of greater expenditure, is the possibility of a sudden reduction in income owing to a partial or complete cessation of Service Displays in a time of national emergency, rendering the Fund unable to fulfil from income its ordinary commitments to the extent of £6,000 per annum.

The Council appeal for unremitting support so that adequate help may be given in the present and the Fund strengthened for the future.

How to send Help.

Cheques, etc., should be made payable to the HON. TREASURER, R.A.F. BENEVOLENT FUND, and sent to him at 7, IDDESLEIGH HOUSE, CAXTON STREET, WESTMINSTER, S.W.1, and will be gratefully acknowledged direct.

THE BRITISH PROVIDENT ASSOCIATION FOR HOSPITAL AND ADDITIONAL SERVICES

Chairman:
THE RIGHT HONOURABLE THE LORD LLOYD OF DOLOBRAN, P.C., G.C.S.I., G.C.I.E., D.S.O.

The Association has been established since 1921 to help people of moderate means to provide for the cost of surgical operations and dangerous illness.

It helps you to help yourself. It enables you to help others. It allows others to help you.

You desire the best treatment in serious illness for yourself and your dependants—

The best treatment is, however, costly and, if the expense is to be met out of your own resources, the effects may be crippling.

All subscriptions are pooled for the benefit of the Subscribers and the benefits are fully guaranteed.

No Agents are employed and no commissions are paid.

The B.P.A. is not a profit making concern and any surplus realised must be used for the benefit of the Subscribers.

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical services scholarships are awarded from time to time (*a*) to the sons of officers and men, or of ex-officers and men, of the Regular Forces or (*b*) to the sons of officers and men, or of ex-officers and men, of the Reserve and Auxiliary Forces who served in the Great War, for the purpose of assisting them to take a course of study to qualify themselves to practise medicine and surgery with a view to obtaining regular commissions in the Medical Services of the Navy, Army or Air Force.

The scholarships are strictly limited in number and the value of each scholarship (normally within a maximum of £200 a year for six years) is dependent on the financial resources of the candidate's family. The scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission in the Medical Branch of the Royal Navy, the Royal Army Medical Corps or the Medical Branch of the Royal Air Force and that, if granted such a commission, he will render not less than five years' actual service on full pay.

Candidates must normally be over 17 and under 20 years of age on the first day of January preceding their applications.

Further details may be obtained on application to:—
